For classrooms using Alice Nine's Johnny Can Spell, Word Study 4 and Word Study 5 provide the following lesson routines:

1. Flash Cards for phonograms
2. Dictation of phonograms with self-checking (retrieval practice)
3. Think to Spell with new words. Some "Word Talk" is included with "Think to Spell" when it pertains to spelling inflected forms or homophones.

Word Study 4 and Word Study 5 do NOT contain words or a sentence as part of dictation. They do NOT provide Word Talk or I-Work.
