

Alignment of *The Phonograms* and *Word Study 1* (Academy) with *JCSpell Lesson Planner Books 1:1 and 1:2*

The two courses *The Phonograms* and *Word Study 1* follow *Johnny Can Spell Lesson Planner Books 1:1 and 1:2*. *The Phonograms* is a prerequisite to *Word Study 1*.

The Phonograms has 25 lessons.

Alignment of *The Phonograms* lessons with *Lesson Planner Book 1:1--*

Lessons 1 - 18 align with *Lesson Planner Book 1:1 (LP1:1)* lessons 1-18.

Lessons 19 - 25 incorporate the phonogram content from *LP1:1* lessons 46-55.

Word Study 1 has 120 lessons. Some teachers choose to begin *Word Study 1* after completing the first 18 lessons in *The Phonograms*. Then, after they reach *Word Study 1* lesson 30, they return to *The Phonograms* to complete lessons 19-25.

Why the break in *The Phonograms*? If students do not enter first grade with basic phonics and letter formation skills, it may be better to do the last seven lessons in *The Phonograms* after doing thirty or more lessons in *Word Study 1* using just the first 54 phonograms.

Alignment of *Word Study 1* lessons with *Lesson Planner Books 1:1 and 1:2--*

- Lesson 1 in *Word Study 1* aligns with Lesson 19 in *LP 1:1*.
- In *Lesson Planner 1:1 lessons*, we begin "Think to Spell" with three words a lesson and at lesson 70 increase to 4 words a lesson.
- In *Word Study 1 (Academy)*, we "Think to Spell" three words a lesson for all 120 lessons.
- Attached is an alignment of *Word Study 1* lesson words to *LP1:1* and *LP1:2* lesson words.

Word Study 1 has two videos.

- The first video is "Retrieval Practice" and includes phonogram flash card practice and modified phonogram dictation with teacher-guided self-checking.
- The second video is "Think to Spell" and includes phonics applied to write (spell) spoken words, handwriting, alphabetizing, and some vocabulary and word grammar.
